The screenshot shows the Vimeo website interface. At the top, the Vimeo logo is on the left, and navigation links for 'Join', 'Log In', 'Create', 'Watch', and 'Upload' are on the right. Below the navigation bar, the title 'Shakespeak Tutorial' is displayed. Underneath the title, there are sorting options: 'Sort: Preset / Date / Alphabetical / Plays / Likes / Comments / Duration'. The main content area features four video thumbnails arranged in a 2x2 grid. Each thumbnail shows a woman in a black jacket standing in front of a blue background with white text and icons. The thumbnails are: 1. 'Introduction: What is Shakespeak?' with social media icons (YouTube, Facebook, Twitter); 2. 'Voting: How to make a vote slide' with the word 'VOTING' in large letters; 3. 'Posting: How to make a message slide' with the word 'POSTING' in large letters; 4. 'Start Session: What to do before, during...' with the words 'START SESSION' in large letters. Each thumbnail has a '1 year ago' timestamp below it.
